

# Have a research question?

NEED A QUICK TURNAROUND?

# Ask REL SOUTHWEST

## The Regional Educational Laboratory (REL) Southwest,

serving Arkansas, Louisiana, New Mexico, Oklahoma, and Texas, is here to answer your research-based questions about education policies, programs, and practices.

- Ask REL Southwest responses are grounded in research
- Ask REL Southwest responses include annotated bibliographies of existing research, including research from the Institute of Education Sciences as well as referrals to federally funded organizations
- Offers regionally specific education information

- Review archived responses at [relsouthwest.sedl.org/ask/archive.html](https://relsouthwest.sedl.org/ask/archive.html)
- Submit your question(s) today at [relsouthwest.sedl.org/ask](https://relsouthwest.sedl.org/ask)
- If you live outside of our five-state region, submit your question(s) at [ies.ed.gov/ncee/edlabs/askarel](https://ies.ed.gov/ncee/edlabs/askarel) so your region's REL can respond.
